## BANKING

As business prospered in the community, banking became a part of the business picture. The first commercial bank, The Bank of Heber City, opened in 1904. An advertisement in the Wasatch Wave near Christmas of 1908 told the people: "Begin the New Year Right by opening an account with the savings department of the Bank of Heber City. We receive deposits of One Dollar and upwards."

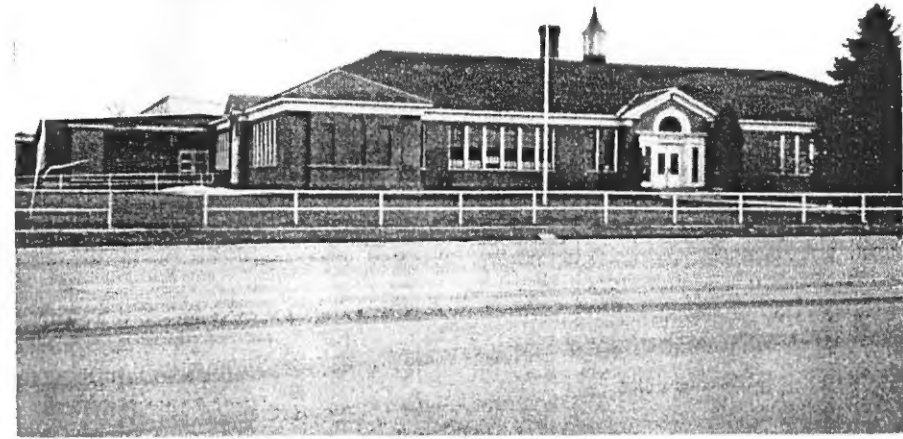

The First Security Bank of Utah's building in Heber, erected in 1950.
